

# Crowle & Ealand Town Council Newsletter

## Park Improvements

Manor and Ealand Park have both benefitted from Community hard work and determination to acquire grants for improvements. To date a combined total in excess of over £300,000 has been spent and we are delighted to announce the following

At Ealand a 24m x 12m multi use all-weather court for tennis, basketball, football and volleyball.

The New MUGA at Ealand Park

The next project for Ealand Park is to replace some of the damaged fencing and the addition of a gate to secure the entrance.

At Manor Rd—Crowle : 2nd Titan swing, footpaths, litter bins, additional seats and signage all compliment the nature corner which will be developed over time as the weather and seasons change. There is a noticeboard on entry to the park to thank those who donated funds.

### Town Council Website

[www.crowletowncouncil.co.uk](http://www.crowletowncouncil.co.uk)

We are in the process of updating and improving our website please bear with us and continue to look for new items as we want to include:

#### The Town Emergency Plan

This can be implemented in severe weather or other threats to the community. Help and advice will be posted here.

#### Local Community Groups

Please contact us if you would like to advertise your group on the website

#### Diary Dates

Events and activities that are taking place locally.

#### Council matters

Details of all our committee and public meetings and the minutes of those meetings. Our Council newsletter, to keep you informed and details of your elected Councillors.

#### Councillor Surgery

The 3rd surgery was held in the Market Place in January to hear your concerns and wishes for the future.

#### Markets—You told us you would like to see a greater degree of choice for shoppers.

The Market Charter Group is working hard to attract stallholders and if anyone is interested in having a stall please contact Kate Fowler, our Town Clerk. Also we are looking at other events for the market square.

**Public Toilets, poor pathways, dog fouling, and poor public transport links were all voiced as areas of concern.** We have passed all of these matters along to the relevant departments at North Lincs Council and will continue to pursue them on your behalf.

## Skate / BMX Park Success on Grants

Crowle & Ealand Playing Fields were pleased to hear that they now have £50,000 of grant funding secured for the proposed Skate/BMX park. They now await the decision of North Lincs Planning Officers which, if successful, will deliver the park ready for 2012 summer holidays.

If you would like to see the proposed skate park plans they are available at The Town Council Office on Field Side. They will also shortly be available on the website.
