Dear Mr Simmonds

Reference: planning application 2008/0424 – Planning permission to provide verandas and decking adjacent to existing static caravans – 7 Lakes Country Park

Following the recent council meeting held on the 9th April 2008, the above planning application was discussed at length; the town council would like to make the following objections:

1. All the work has been carried out without planning approval in the knowledge that North Lincolnshire Council always pass such in retrospective, and the council feel this application is unauthorised planning and should be retrospective planning. We believe the time has come for a stand to be made.....the unauthorised work should be REFUSED.
2. Objections as to planning applications 2008/0473 and 2008/0474 also apply to this application. Also the detail offered at paragraph 38 of planning application (Roger Harden Consultation services) has not been forwarded so no detail can be assessed to its merit. Therefore it is objected to.

Yours Sincerely

Mrs K Fowler
Clerk to the council
